

GREAT HILLS COUNTRY CLUB

“Where Lifelong Friends Are Made”

Located just northwest of downtown Austin and in the heart of the Arboretum area, Great Hills Country Club is a neighborhood club that offers something for everyone in a unique community.

ABOUT US

Great Hills Country Club, established in 1973 and member-owned since 1985, is an eighteen-hole private country club offering memberships ranging from Social to Full Golf Members. The Club is tucked into the rolling hills and scenic views of Northwest Austin, near Highway 183 and Loop 360, and just minutes from downtown. It is known as a place where family traditions and friendships last a lifetime.

World-class golf, tennis, wellness and aquatics programming provide our members the opportunity to develop a lifelong hobby or compete at a high level. Great Hills Country Club has become a "home away from home" for families, couples and individuals who appreciate an active and social lifestyle.

Our Mission

We nurture a genuine culture by building lifelong friendships and creating a fun, respectful, and competitive atmosphere. Our goal is to ensure every member enjoys our activities and amenities to the fullest.

Our Vision

Discover our welcoming, family-oriented country club where multi-generational members enjoy a range of diverse amenities and activities. We're committed to enhancing our facilities, team, and programming to ensure exceptional and authentic experiences that enrich the lives of our members and guests.

Our Values

Excellence
Family
Fun
Respect
Forward Looking
Integrity

THE CLUBHOUSE

Great Hills Country Club is a private, member-owned country club rich in the tradition of golf, tennis and social events that are perfect for individuals and families of all ages.

Together, each member has helped form a lifestyle of comfort, camaraderie and community that winds its way through every hole, social gathering and meal served.

The new clubhouse was built in 2021 and features dining rooms, banquet room, meeting rooms, family game room, golf shop, and tennis shop.

Experience the unique lifestyle that Great Hills Country Club has to offer!

“

GH2030

“I am very excited about the upcoming improvements to the club. GHCC will enjoy great success and growth due to [these plans]. We have loved our nine years as members!”

GOLF

Combining the natural beauty of the Texas Hill Country, the close proximity to downtown, one of the nation's "Best Places to Live" and a layout that is challenging yet rewarding, Great Hills Country Club offers its distinguished members the ultimate golf experience.

“ GH2030

“I'm so proud that our membership stepped up to make this critical investment in securing the future for our club. With the advice provided by the experts we engaged, members had the confidence that we will create a more sustainable golf course that will be even more enjoyable to play.”

-John Ellett
GHCC Board President

TENNIS

Great Hills Country Club has a vibrant tennis program complete with eight lighted courts that are available seven days a week. In addition to casual play, private one-on-one or group lessons and various clinics, GHCC proudly hosts intra-club leagues, pickleball and opportunities for team play against other clubs.

"Find people who share your interests by signing up for club events via the MGA/WGA for golf or tennis clinics. Don't worry about your skill level; everyone is welcoming."

AQUATICS

Take a dip in our premier pool facilities, or use the lap lanes year-round. The heated pool includes new additions such as a splash pad and water slide.

“The day-to-day things are what make GHCC great...Friday golf, ladies' tennis, summertime pool days, Wednesday poker nights, kids' golf and tennis clinics, etc.”

WELLNESS

Continue your fitness and wellness journey and enjoy our state-of-the-art fitness equipment, complete with weights and cardio equipment, as well as a robust group fitness class schedule to keep you fit and heart-healthy.

“

“The community here is so great, and that includes both the membership and the entirety of the staff!”

THE FUTURE OF GHCC

Our club is preparing for a HUGE transformation that will elevate every aspect of our membership. On Sunday, May 19, 2024, stockholding members of Great Hills Country Club voted to approve the Great Hills 2030 Plan, a comprehensive master plan focused on continuing our legacy of greatness. The clubhouse is going to be renovated to better serve our multigenerational tiers of membership; Texas-based, award-winning course designer Chet Williams is establishing a more sustainable and playable golf course, and our tennis facilities are expanding to support our incredible players and coaching staff. Take a look at everything included in GH2030, a comprehensive plan made for our club by our club and our amazing team of experienced professionals:

- **Significant expansion of ground water capture and storage**
- **Installation of a modern irrigation system**
- **Green reconstruction and placement**
- **Short-game practice area**
- **Improved driving range, including four to five covered bays with Trackman/TopTracer technology**
- **Bunker renovations**
- **Quiet dining space**
- **Casual family bistro with outdoor seating and bar**
- **Children's playscape area**
- **Additional tennis courts**
- **Dedicated pickleball courts**

"This significant milestone - led by best-in-the-business Golf Course Architect Chet Williams, who has designed three of the top five golf courses in Texas - will ensure the longevity of our club for many generations to come. This transformative project is going to keep Great Hills Country Club as one of the premier golf courses in Austin."

–Gaith Alkadi, General Manager/COO

CLUBHOUSE ENHANCEMENTS

Changes to the clubhouse include an updated, adults-only Legends Lounge and furniture rearrangements to provide an updated lounge feel. A wine wall with operable openings on each side will separate the Legends Lounge from the refurbished Fairview Quiet Lounge area, a space dedicated to “elevated dining” that will provide an opportunity to enjoy quieter meals with family or colleagues.

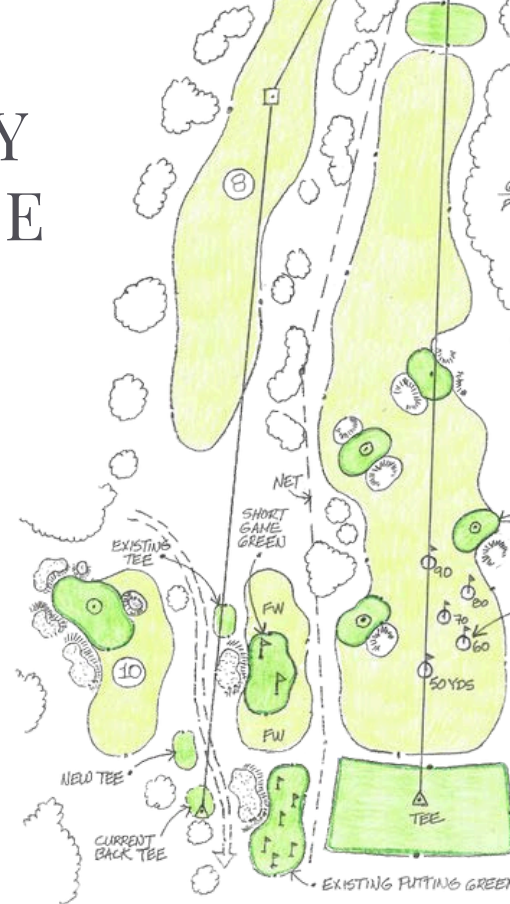

Perhaps the most exciting aspects of the updated plans are to the Arboretum Café and the space between the Clubhouse and Activities Center. The Arboretum Café will transition into a bistro-style café that satisfies a variety of needs. In the morning, members can grab coffee, pastries, or enjoy a breakfast taco while working remotely. At lunchtime, members can swing by for a smoothie, salad or pre-made wrap while making the turn or in between tennis matches. In the evening, the wall of glass doors will open to the Courtyard, allowing for more casual dining and the opportunity to enjoy a cocktail with friends while the children play.

GOLF COURSE MASTER PLAN BY AWARD-WINNING GOLF COURSE ARCHITECT CHET WILLIAMS

*Photo for conceptual purposes only.

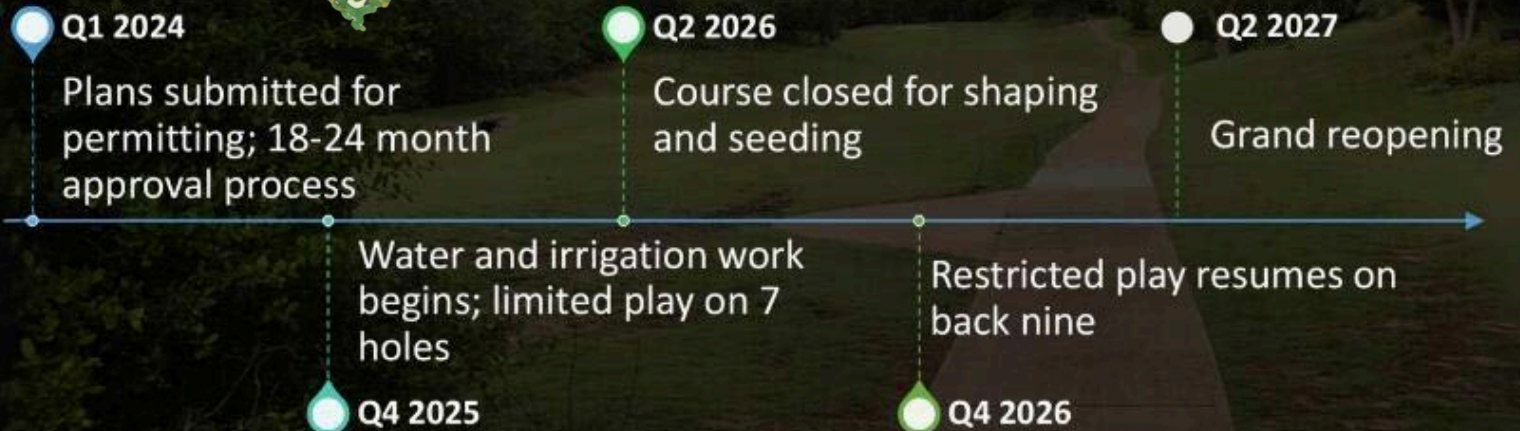

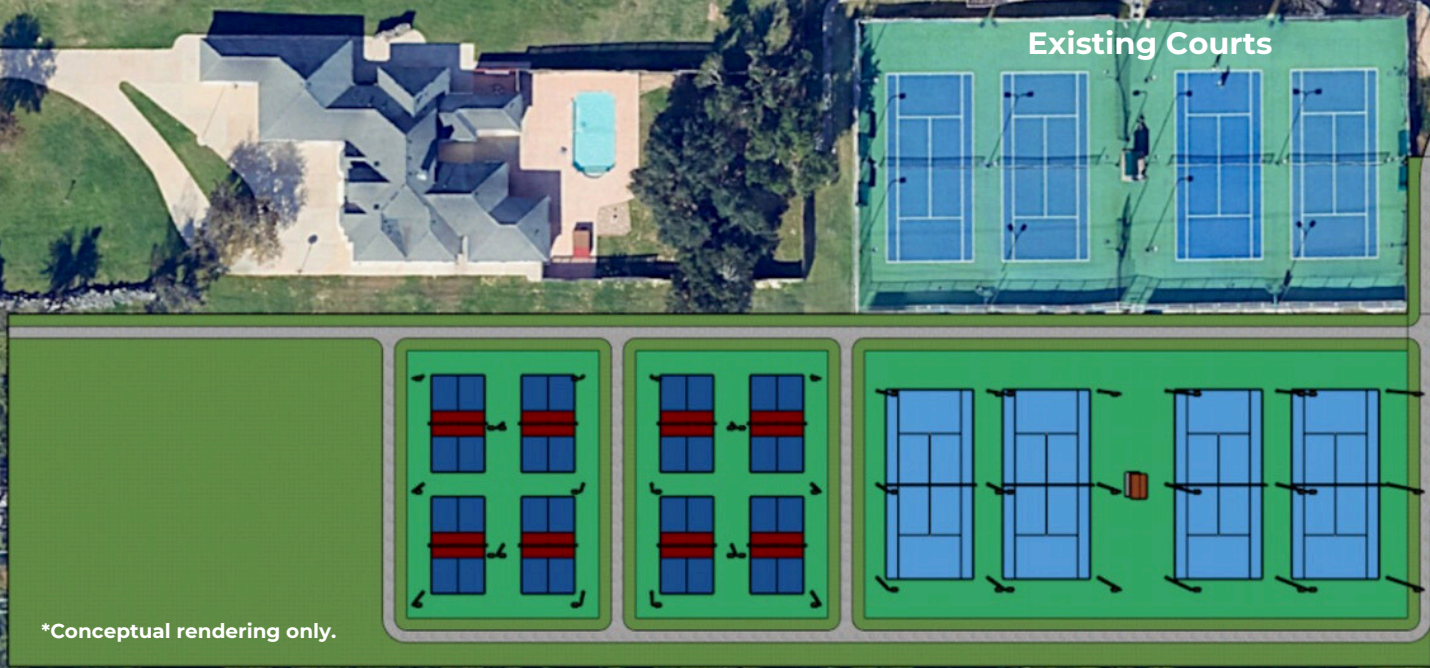

We're set to break ground on our golf course renovations in October 2025, with a grand reopening planned for spring 2027. This game-changing project will include:

- Installation of a modern irrigation system (to replace our current, 50-year-old system)
- Green reconstruction and placement
- Bunker renovations
- Soil erosion and sediment control plan
- Drastic changes to only three holes
- Short-game practice area
- Improved driving range
- 4-5 covered bays with Trackman/TopTracer technology

Estimated Timeline

TENNIS

Great Hills Country Club has experienced a thriving and active tennis community for the past 20 years.

On top of providing clinics and workouts for players of all ages and abilities, GHCC Tennis also offers a variety of league play. Members can enjoy WTTA, USTA and intraclub teams for women, as well as fall and spring intraclub leagues for men. For our younger players, we have junior team tennis, offered to members only, and will be holding our first Junior Club Championship this year.

Additionally, our five tennis professionals lead recurring tournaments such as Lawn Chair Tennis, Wooden Racquet and 105 Tennis Tournaments. We've also been known to host birthday parties for all ages, utilizing the beautiful new tennis pavilion and friendly service from our beloved staff.

The addition of new courts will be the largest investment in our tennis program to date and will provide increased capacity, allowing our tennis and pickleball programs to grow and thrive. More courts equal more pros, more lessons, more teams, MORE COMMUNITY.
