

# *Meet Shannon Arnett*

Shannon Arnett was born and raised in the Austin area. As a matter of fact, she grew up right here at Great Hills Country Club! Shannon played golf at Westwood High School and went on to compete on the TCU Women's Golf team, where she was a four year letterwinner (Class of 1999). Following her college career, she played on the Players West and Futures Tours from 1999-2000 before returning to Austin. She worked at Austin Golf Club as an Administrative Assistant, and then Golf Assistant once the club opened. She then was hired as the Women's Assistant Golf Coach at the University of Texas from 2001-2006, before retiring to raise her family.

Shannon currently works as the Merchandiser and a Golf Instructor here at Great Hills, helping her husband, Rick, with the buying in the Golf Shop. She also teaches, and gives numerous lessons (mostly women and kids), including numerous junior clinics and camps throughout the year. Shannon has a love for fashion and design, and welcomes feedback from the membership about product for the Golf Shop. She also loves teaching, and enjoys helping her students develop a love for the game of golf, that has been such a big part of her life.

Shannon is married to Rick Arnett (Head Golf Professional), and they have two children: Caroline and Eric.
